

Welcome to The Village Club!

I invite you to explore this website to learn more about our organization.

The Village Club was established in 1956 as premier private club for women. The educational, philanthropic and social principles, upon which the Club was founded, continue to be the main focus of the Club today. Classes are held, travel opportunities both local and international are planned, programs with prominent, informative speakers are offered as well as fun, creative social events to connect and engage our members. The Village Club offers a diverse offering of Clubs within the Club which caters to a variety of interests our members find entertaining or informative. We also have reciprocity agreements with several clubs throughout the country and Europe.

The Village Club, with its beautiful grounds and facility, is the site of countless weddings, anniversaries, engagements, special celebrations, social events and milestone family events. It is proud to be the cornerstone of thousands of cherished memories over the years. Our members enjoy the finest indoor and outdoor dining facilities with outstanding culinary experiences from our award-winning Chef. Our staff is dedicated to ensuring that your experience is enjoyable and rewarding for you, your family, friends and associates.

The Village Club Foundation has a deep and rich history of making an impact in our community since 1956. Since that first year, our members have been addressing the most pressing issues facing our area. Now, as we are in our 67th year, our members are just as committed to improving the lives of others in our community and developing the potential of women as our founders were.

Thank you for your interest in The Village Club. We look forward to meeting and exceeding your expectations at The Village Club.

Sincerely,

Laura-Lee Kelsey
